

Deaf awareness:

4th – 10th May is **#deafawarenessweek**. Over half of deaf children will become deaf during their childhood. This usually happens in the first few years of life. Any hearing loss even temporary or mild can have a big impact particularly in the EYFS when children are developing their speech and language skills. If you have any concerns about your child's hearing please speak to your child's class teacher or Mrs Saddington. Click on the link below to watch the BBC Ability choir perform Gary Barlow's "Sing" with British Sign Language.
