Embrace are commissioned to provide the Special Educational Needs and Disabilities Information Advice and Support Service or SENDIASS (previously Parent Partnership) This service is an independent, impartial and confidential support and advice service for parents, carers, children and young people on issues related to Special Educational Needs and disability. We are here to listen to families concerns and to help with productive communication. We also share information on the Local Offer

Special Educational Needs and Disabilities Information Advice and Support Service or SENDIASS (previously Parent Partnership) is an independent, impartial and confidential support and advice service for parents, carers, children and young people on issues related to Special Educational Needs and disability.

# We are here to

- Listen to families concerns, views and wishes and talk these through with them
- Work with families to explore their options
- Offer information around school admissions and appeals
- Help families to understand the complex SEN system
- Help families communicate their wishes and views around education
- Inform families of the law and their rights around SEN and education
- Facilitate meetings with schools and other professionals
- Help families with forms, letters and reports
- Promote positive relationships between families and education providers
- Provide advocacy and support over the phone or face to face
- Support and provide information around the Education Health and Care process( EHC)
- Provide access to independent support where necessary

Supporting people with disabilities to live a good life  
by being valued, included and by having real choice
