

FREE SCHOOL MEALS

Our records show that some parents have not yet completed the online application for free school meals. **It is really important that you complete this check as soon as possible.** If your child has previously been eligible for free school meals, and you have not completed the re-check, we cannot award your child's FSM status for the current academic year.

Please be aware that the threshold for eligibility has changed, so even if you have not been eligible in the past, you may be eligible now.

Parents are no longer notified directly of the outcome of free school meals checks, so please contact the school office if you would like to check your child's eligibility for the current academic year.

You can follow the link below to apply, or if you are unable access the online application, please see the school office for a paper application and we will apply on your behalf.

NASAL FLU VACCINE

The Intrahealth Team will be in school next **Friday 18th September** to administer the Nasal Flu Vaccine to pupils from Nursery to Year 6.

This year the Intrahealth Team have seen the consent link out directly to parents via email, so please ensure your have completed the form online.

SWIMMING AND MUSIC

Year 3 pupils must bring their swimming kit to school every Wednesday.

Year 4 and 5 pupils must bring their brass instruments to school every Wednesday.

TIME TO TALK

Do we all have a part to play in helping those in need?

PARKING

Please do not park on the zig-zag lines by the school car park. You are compromising the safety of our families when parking here.

We have been made aware that there have been some images shared on social media of cars parked on these lines which feature some of our pupils. Whilst we understand that this is frustrating, please refrain from posting images of other people's children on social media.

KEY DATES FOR YOUR DIARY

- 02.11.26: Return to school today

Duckling Class

What a wonderful start we have had to our first week in nursery. We have been making friends, exploring the environment and activities, learning to be independent and taking risks. We have also welcomed Mrs Tierney and Miss Blackledge to our class team.

Don't forget the best way to keep up to date with everything happening in nursery is by regularly checking our Class Dojo page. If you need help accessing this, please speak to Mrs Hobin, Miss Blackledge, Miss Lyon or Mrs Tierney. There are also some home learning resources on our website. To access these, click the link: [Beech Hill Community Primary School - Duckling](#)
